EXPLAINED

Tickets are Available at
Fifty Arlington Hts.
Stores Until 26th

The automobile prize tickets are going like wild fire. Residents of neighboring communities are becoming interested. The tickets are available at nearly every business place in Arlington Heights and are given free with each ten cent purchase or payment on account.

Double Tickets at Herald Office

In order to enable a larger number of people to participate in the drawing which will take place Saturday evening, Nov. 26, at nine o'clock H. C. Paddock & Sons are offering double tickets for subscriptions to any of the various publications issued by that firm. Every year's subscription at \$2.50 means fifty tickets. There is not time to notify every person in arrears of this special offer and subscribers reading this notice are invited to take advantage of the offer. If subscriptions are not due, payment for an additional year can be made now and the tickets will be given.

Method of Drawing

The method of drawing is simple and not confusing. There are no coupons. Each ticket given out is numbered and has a series number. Upon the evening of the award, impartial judges will be selected and upon a large platform in the railroad park the drawing will take place, presumably by a blindfolded person. There will be two boxes. One will contain the series letters, from which the first drawing will be made, which will establish the series of that winning number. The other box will contain ten copies of each of the ten digits. The first digit drawn will be posted as the unit figure (at the extreme left) the next figure drawn will go to its right, continuing until five numbers are drawn, establishing winning ticket No. 1. There will be additional prizes and the drawings will be continued until all tickets are accounted for. A number not claimed within ten minutes, will be cancelled and another take its place. The people holding the lucky tickets will stand on the platform and in the sight of the entire crowd draw envelopes each containing the name of one of the prizes. The holder at a given word, will open his envelopes and learn the prize that will go to him. The grand prize, an automobile, will be among the prizes so awarded.

This method is considered fair to everyone. The selection of the series number on each drawing will aid ticket holders in looking over their holdings. It is expected that not over a half hour will be needed to complete the drawing and to make the awards.

Dr. Best Addresses
Junior Engineers on
Ways of Red Men

Concerning an address on American Indians given by Dr. B. T. Best of Arlington Heights, the Western Society of Engineers Bulletin of October 26, (Junior Engineers), carries the following item:

An Absorbing Talk
"That the American Indian is a diametrical opposite in almost every respect to the white American was pointed out by Dr. B. T. Best in his talk to the Juniors on October 20th, speaking on 'The Red Man of America.' Dr. Best discussed many of the interesting facts regarding the Indian's mode of living, religion and philosophy, which he has observed during the years he has studied the Red Man."

"Since early childhood, most of us have been showered with half-truths about Indians. It was a pleasure to listen to a man whose knowledge about these mysterious people is drawn from actual research. Possibly the most interesting thing about Dr. Best's talk was his discussion on the mental makeup of the Indian."

This meeting, held in the Engineers building in Chicago, was well attended and much enjoyed.

Free Auto Tickets
At Route 58 Florists

Thon & Boettcher, the florists on Route 58 and Arlington Heights road are giving away to all visitors five automobile prize tickets. It is unnecessary to make a purchase. That firm has a wonderful display of Christmas novelties which they want the general public to see. The tickets are available for all who visit the green house. Special accommodations on Saturdays and Sundays.

CARDINALS VS. BARRINGTON ON ARMISTICE DAY

Friday of this week, on Armistice Day, Arlington's football teams, both lights and heavies, conclude their 1932 season with games on the local field with Barrington's Branches. A double win for Arlington would conclude the best football season Arlington has ever had. A defeat for the Heavies would still leave them in second place in the conference ratings, but would spoil an otherwise excellent season for them.

On one Arlington should win. But Barrington has been handicapped all season by injuries and have not as yet had their full strength on the field at any time. Coach Clark asserts that he will be able to put his entire team on the field Friday. If so they will give the Cardinals a real game.

Pre-season dope was that Barrington would have one of the best teams in the conference. Now with these injured men back they will endeavor to live up to their expectations.

Barrington has been pointing toward the Arlington game for several weeks with the idea in mind to close a very mediocre season with a win over Arlington. Such a victory would be more than welcome and would almost constitute a successful year for Barrington.

These games will mark the end of football competition for nine Arlington players. Most of these have been practically indispensable to the Cardinals this year. Capt. Wilke, one of the best ends in the conference, as well as his teammate at end, Cosman, will be through. Arlington's clever quarterback and one of the best in suburban circles, Hauff and Sicks, lightweight backs, are the only ball toters to complete their competition. In the line the seniors are Rateike and Elliott, veteran tackles; Malzahn at center, and Kellogg at guard. These four have been as valuable as Arlington's backs. Siefold, sub tackle also graduates.

These two tackles, and Malzahn, at center, will be sorely missed next year, and it may be some years before Arlington finds finer linemen. Kellogg is a real scrapper but has been handicapped by lack of size.

These boys will be trying to get their first win over Barrington in three years. Last year the game ended in a 0-0 tie on one of the muddest fields in the history of conference play. Two years ago Barrington won 15-14 by means of a long range drop kick in the closing minutes. The year previous to that Arlington won by an overwhelming score.

Some real football should result. When these two teams hook up and given a good day a large crowd is expected. The lightweight game is scheduled for 1:30 with the heavyweight game immediately afterwards at about 3:00 o'clock.

Arlington Heights Dads
Receive Pay Envelopes

There was a surprise for the members of the Arlington Heights board Monday evening, when following the passage of the pay roll, W. E. Meyer, assistant treasurer, stepped up and laid down a pay envelope before each of the aldermen, the mayor and village clerk. These men only have a pay day four times a year, but they dislike missing them anyway. With a little change in their pocket, they can feel encouraged to go out and skimp and save so the village will have some more money for future pay days.

TWO FARM FIRES BRING HEAVY LOSS

Chas. Vogt Barn and Tea
Room Residence in Pal-
atine Twp. Destroyed

Two farm fires in the township of Palatine brought heavy loss the past week to the owners. The barn of Chas. Vogt at the corner of Quentin and Baldwin roads was destroyed with three cows and two horses, a loss of \$6,000, last Thursday evening. The residence occupied by Frank Stoele on the former Morris farm on Dundee road east of Kitty Korners, was burned Sunday evening while the family was away.

Both fires were of unknown origin and were not noticed until they had gained considerable headway. Mr. Vogt had shut off a shredder and had gone to the house for supper when he chanced to look outdoors and saw the barn a mass of flames. The alarm was sounded and an effort made to save the livestock. All of the cows and calves,

To Use Stickers For Vehicle Tags In Arlington Hts.

Village vehicle tax tags in Arlington Heights for 1933 will be stickers for the windshield, instead of enameled steel plates as heretofore. These stickers will be red, about 2 1/2 inches high, the same wide, and convex at the top.

Emergency Welfare Campaign to Start Monday, Nov. 14

The suburban division of the Cook County Emergency Welfare Fund of Cook County, to raise \$7,500,000 needed during the coming year, will officially open the campaign Monday, Nov. 14.

Local campaigns will get under way in Barrington and Des Plaines in the Northwest, and other parts of the county. Chairman Moore of the Suburban Division, announces a list of vice chairmen in charge of organization work in respective suburban districts, including District 2, Barrington, Wheeling and Northfield townships, E. G. Gieske, Barrington, District 4, Leyden, Norwood Park, Oak Park, Proviso and River Forest townships, Paul E. Zimmerman, Oak Park.

Stonegate Woman Pays First Election Bet in Arlington

Mrs. Arthur Kaepfel, Mayfair road, Stonegate, paid the first election bet in Arlington Heights, Wednesday morning. Her friend, Mrs. Hofstetter had agreed with her that if Hoover was elected, Mrs. Hofstetter would call for Mrs. Kaepfel with a wheelbarrow and a sandwich, wheeling her down the Northwest highway thru the business district to the Arlington Heights postoffice. Mrs. Hofstetter was so elated over Roosevelt's election that she forgot that the "shoe was on the other foot" and had made the date with Mrs. Kaepfel to call for her with the wheelbarrow at ten o'clock, when the editor reminded her that she ought to be the one who was to ride in the wheelbarrow. So the arrangements were changed. Instead, Mrs. Hofstetter was the one given the ride, which was in the trunk of the back of the Kaepfel coach and it was Mrs. Hofstetter who enjoyed the sandwich.

Miss Trip to St. Louis
Mrs. Hofstetter missed a trip to St. Louis because Hoover did not win. Dr. Dunn promised her that if Mr. Hoover would be re-elected, he would take her to St. Louis in his car. Roosevelt won, so if she wants to get a free ride to that city, she will have to hitch-hike.

VILLAGE MAY PLANT ELMS IN STREETS

Board Upholds Zoning
Ordinance; Move to
Check Robberies

At a regular meeting of the Arlington Heights Village board Monday evening, after reading and approving of the minutes, Mayor Flentie asked if any resident had anything to present to the board. Mr. Charles Scherf, 704 E. Northwest Highway, rose to protest against the standing along Hickory street, back of the highway, of a lot of heavy excavating machinery belonging to the Pontarelli company. Village Attorney H. J. Thal, upon looking up the zoning of that subdivision, reported that it is zoned for industrial purposes, and if the property owner is satisfied, the village can do nothing.

Mr. George Schaefer, street committee chairman, reported sidewalk repairs, cleaning streets and picking up leaves on the north side of the tracks, and that he had been notified by the State Highway department to take down the village's 25-mile limit signs on the Northwest Highway.

Store Away Lights?
The question of the ornamental lights in Scarsdale, belonging to the subdivision and which are being damaged more and more—should they be taken down and stored away to protect them further, seeing they are not needed?

The report was accepted.
Mr. O. G. Barrett, chairman of the Water committee, reported \$4,028.11 collected since Oct. 1; \$673.91 delinquent on an "active" list, and \$352.34 on a "Reserve" or doubtful list. The proposed north side milk depot just outside the limits will not require city water as it is putting in its own well, he said. Those working out their water bills were cited; in answer to inquiry, he explained they were cleaning streets, sewers, etc.

May Plant Elms Free
Trustee George Klehm suggested further work for such men in planting elms in the parkways under the experienced direction of Mr. Charles Hinz. This would beautify the village in a way that would greatly add to future values, and at a very small cost, Mr. Klehm urged. He himself would donate some of the trees, and there are many trees in Scarsdale, formerly his nursery, that have to be moved somewhere. This suggestion seemed very good, and the Water and Street committees were to work out the plan.

Trustee Gus Framberg, chairman of the Sanitation committee, reported seeing the Creamery Package company officials in regard to acid coming from their plant and injuriously affecting the chemical operation of the Treatment plant, and found these men very courteous and complaisant; they agreed to build a tank for neutralization of these acids.

Mayor Flentie reported that Mr. Allen had agreed to accept \$325, as his pay for services at the Treatment plant this year, a saving to the village of \$475.00.

Police Matters
Mr. Hauff, chairman of the Police committee, reported 22 arrests; \$63 in fines remitted from Judge Meyer to Treasurer Lorenzen. Officer C. H. Skoog reported on the robbery of the Gieseke store, and rumor of robbery of Larry and Gene's restaurant, no complaint to the police having been made; also the Halloween accident on N. State road. Mr. Hauff reported that \$872 in business license fees had been collected before Treasurer Lorenzen made up a list of delinquents, \$148.75 since that time. Officer Skoog will continue to call on the business men in an effort to collect more.

The stop-and-go signs on the Highway needed painting and Mr. Hauff recommended the aluminum paint used on hydrants. This suggestion was concurred in. Lauterbach & Oehler having asked permission to put up a neon sign in the parkway in front of their new funeral home on Campbell street, Mr. Hauff presented the request.

Peddlers were discussed. Should they be given permits at all?

Refuse License to Bakery
Rose Stier, operator of a bakery in residence property at Euclid and Dunton streets, had offered to pay a business license; Mr. Hauff put this up to the board. The Village having had suits against her for alleged violation of the zoning ordinance, Attorney Thal was asked for an opinion. Execution has been served, a schedule of property filed, and fine, or imprisonment in lieu of fine, is to occur, he said. If any violator of the zoning ordinance is allowed to go on indefinitely, anyone else may feel free to go ahead and do the same thing, Mr. Thal argued. The board then instructed the police committee not to grant any business license for the operation of a bakery at that address.

Vehicle tags for 1933 had been ordered, sticker type at 8 cents each. Mr. Hauff reported, 1325 of these for cars of differing H. P.; 125 dog license tags, 10 motor cycle tags, 10 for teams. The stickers (Continued on page 3)

BUSINESS PEOPLE MEET; RELEASE DEPOSITS, HOPE

A meeting for local business people only is being held Thursday night this week at the Arlington Heights village hall, to pass on plans to release some \$60,000 in closed banks for the use of the community. The meeting is under the auspices of the Chamber of Commerce.
The date is Thursday, Nov. 10; a mistake occurred in the circular notice.

DEMOCRATS GAINERS BY "REVOLUTION"

Sweep Nation, Illinois,
Cook County; G.O.P.
Snowed Under

Given opportunity Tuesday of showing their feelings, millions of voters expressed revolutionary action at the ballot boxes by sweeping almost completely from office the then dominant Republican party and its officials, good, bad or indifferent. All are slaughtered, including thousands of minor appointees.

The next President, Vice President, the Illinois State and Cook County officers, will be entirely under the Democratic label. Congress will be overwhelmingly Democratic. In the legislature, in Illinois the Democratic party gains strength, and may have a majority.

All Cook county officials will be Democratic, with the exception of William Busse of Mount Prospect, and George A. Miller of Oak Park, remaining over and not figuring as candidates in Tuesday's tornado. For the Cermak vacancy on the County Board, John Traeger (Dem) was elected.

On the Democratic party, therefore, will rest the major responsibility for action in the near future concerning the economic crisis.

Franklin D. Roosevelt is President-elect by the greatest "landslide" in history. In Illinois in 3,428 districts out of 7,222, his vote is 849,712 to 599,640.

Wm. H. Dieterich of Beardstown defeats Otis F. Glenn for the U. S. senatorship from Illinois.

State Officers
Judge Henry Horner of Chicago is the governor-elect, getting a larger vote than Roosevelt at the head of the ticket.

Others elected for State offices are as follows:
Lieutenant-Governor—Thomas F. Donovan of Joliet.

State Auditor—Edward J. Barrett of Chicago.
Secretary of State—Edward J. Hughes of Chicago.

Attorney-General—Otto Kern of Chicago.
State Treasurer—John C. Martin of Salem.

Supreme Court Clerk—Adam F. Bloch of Chicago.
Congressmen at Large—Martin A. Brennan of Bloomington and Walter Nesbit of Belleville.

State University Trustees—Dr. Karl A. Meyer of Chicago; Neil V. Freeman of Matteson and O. M. Karaker of Harrisburg.

County Officers
In County offices, Courtney (Dem.) defeats Swanson (Rep. and incumbent) 652,062 to 411,757 in 2,826 precincts out of 3,522. Other winners, all Democrats, include James A. Fardy and Francis B. Allegretti for Superior Court Judges to fill vacancies; Clayton F. Smith for County Recorder; John E. Conroy for Circuit Court Clerk; Frank V. Zintak, Superior Court Clerk; Sheldon W. Govier, Appellate Court Clerk; Frank J. Walsh, Coroner; Henry Riedl, County Surveyor; John E. Traeger, County Commissioner.

For the Legislature, from the Seventh Senatorial district, there being no contest, all three incumbents were reelected, Emmet McGrath (Dem.), Anna Wilmarth Ickes (Rep.) and Frank Foster (Rep.).

For Congress, in the Tenth Congressional district (Lake county with parts of northeastern Cook county) Weber (Dem.) received more votes than Simpson and Church, rival Republicans, put together.

In the Seventh Congressional District, Michaelson (Rep.) ran ahead in the Country Towns, and behind in Chicago. Schwartz, against incumbent, was ahead 98,113 to 66,462, in 404 precincts out of 763. Cook county's vote for president in 3196 precincts out of 3,522, was \$36,294 to \$94,677 in favor of Roosevelt. Downstate ran more nearly Republican.

Results similar to Illinois were general throughout the country, except in Maine, New Hampshire, Vermont, Connecticut, Delaware and Pennsylvania, which appear to remain in the Republican column.

Local phases of the election are covered in separate articles and tables.

MAY SEND FOR 1933
LICENSES NOW

New automobile license blanks for 1933 are now obtainable at the police station, according to Officer C. H. Skoog.

DEMOCRATIC LANDSLIDE HITS TOWNS

Wheeling Township is in
Democratic Column;
Elk Grove Rep.

HOOVER STRONG
IN PALATINE

Roosevelt and Small Lead
in Rural Precincts; Swanson
Carries Pal., Elk. Grv.

In the heaviest vote ever polled in the northwest town of Wheeling, Elk Grove, Palatine, Schaumburg and Hanover, the Republicans lost Wheeling township to the Democrats, but were victors in Palatine, Elk Grove and Hanover townships. Their customary lead in those three townships was greatly cut down, Roosevelt and Hoover seriously threatening their opponents in a number of precincts. All three townships, however, preferred Roosevelt over Courtney.

Wheeling township was not entirely Democratic. Glenn was preferred over Dieterich, and Stratton over Hughes for secretary of state. The Republicans who voted Democratic Tuesday did not put all of their crosses in the Democratic column, however, as is shown by the returns, when the Republican candidates for minor state offices were given majorities over their Democratic opponents throughout.

The Republicans who voted Democratic Tuesday did not put all of their crosses in the Democratic column, however, as is shown by the returns, when the Republican candidates for minor state offices were given majorities over their Democratic opponents throughout.

Democrats of the Northwest towns have reason to make merry over the big vote they polled. A few years ago this was strongly a Republican stronghold, but its walls have been seriously dented in a number of places. Courtney carried Wheeling by 1626 votes to 1250 for Swanson. Swanson carried Palatine 916 to 636; Elk Grove 662 to 449 for Courtney and in Schaumburg and Hanover Swanson received 589 to 419.

Small Ballot Wins
Large votes are reported for the relief bond issue in all of the precincts, but the exact vote is not available as this paper goes to press.

Relief Bonds O. K'd;
Propositions Pass

The three propositions voted on Tuesday by the entire state, went over big, both in Cook county and downstate.

The \$20,000,000 emergency relief bonds to retire State tax anticipation warrants issued for last winter's relief and spent largely in Chicago, passed with almost no opposition. Each county will therefore retire its share of the amount spent within it, and out of its share of the gas tax. This saves practically doubling the state tax rate for one year.

The "Gateway Amendment" to the State Constitution passed by a big majority. In 2,048 precincts of the County's 3,522, the vote was 314,333 for and 64,883 against. This amendment will permit three amendments to the Illinois Constitution to be proposed to voters by a session of the legislature. It may facilitate amendment so as to permit an income tax.

The amendment to Sec. 11 of the state banking act, to permit receivers of closed banks to pledge assets for loans approved by Circuit Court judges, was also favored by Cook county voters, in the same number of precincts, 324,347 to 48,955.

Legion Armistice
Ball at Rolling
Green Tonight

All arrangements have been completed for the Second Armistice ball sponsored by Merle Guild Post No. 208, The American Legion, which is to be held at Rolling Green Country club Friday night, Nov. 11.

It promises to be even a bigger affair than the one held last year, if that is possible.

Don Allen's Rhythm Masters have unusual entertainment in addition to perfect dance music.

All reports to date indicate that many parties are being made up, to celebrate Armistice day at this dance.

Tickets are one dollar each and as usual there will be no charge for refreshments nor for check rooms.

If you have not already arranged to be present, plan to do so and be assured of a perfect evening.

Roosevelt Loses
Home Town Vote
Hoover Wins His

Governor Roosevelt lost his home town and county, according to an Associated Press dispatch; the town of Hyde Park, N. Y., by 139 votes; the county of Dutchess by about 5,000 votes.

Hoover carried his own home town, Palo Alto, Calif.; also his home precinct in Santa Clara county, thus: Hoover 176, Roosevelt 46, Thomas 17.

OBITUARY

MR. HENRY SCHWOLOW

Henry Ferdinand Schwolow was born in Schlawa, Pommern, Germany, July 27, 1856 and died at his home in Palatine Sunday, Oct. 30, 1932, after an illness of three weeks. The funeral was held Thursday at the Lutheran church, Rev. Poellot officiating. Interment was in the southside cemetery.

The deceased came to America, settling in Chicago in 1885, almost immediately after serving his time as a German soldier. Within two years he gave up his employment in Chicago and took up farming and was married to Miss Augusta Zuhlike April 11, 1887 in Schaumburg. Mr. and Mrs. Schwolow resided many years upon the Rennack farm and for the past eight years within the village of Palatine.

Mr. Schwolow was of a quiet nature, but was greatly interested in the affairs of his church as well as the village and township. He was the father of twelve children, two of whom preceded him in death. Those remaining are seven sons, Henry, Ernst, William, Albert, Arthur, of Palatine; Herman and John of Arlington Heights; three daughters, Mrs. Martha Heinrichs, Mrs. Anna Stockel and Mrs. Anna Tonne. Others mourning his departure are his beloved wife, and 18 grandchildren.

CARD OF THANKS

We herewith express our sincere thanks for the kindness of neighbors and friends and their many expressions of sympathy in our bereavement.

Mrs. Henry Schwolow and Children.

Evangelical Women In Mission Institute at Barrington Tues.

The Evangelical women of the Arlington Heights Federation met at St. Paul's church, Rev. H. E. Koenig, pastor, at Barrington, for the seventeenth regular meeting and Mission Institute, Tuesday, Nov. 1st. There was good attendance, there being 160 present. The business was transacted in the morning, which included annual reports and election of officers. The officers whose terms expired, were reelected to their respective offices. Mrs. Geo. Goebel, vice president, Mrs. Anna Magers, recording secretary, and Mrs. A. F. Pottratz, treasurer.

The special numbers on the program were centered on foreign and home mission work. The speaker, Mrs. Pauline Pister, a member of the Central foreign mission board, in her usual pleasing and able manner, held the listeners in rapt attention, when she spoke on "The Healing Touch of Medical Missions." Her message carried a tremendous appeal, for the millions of people, with so few doctors and nurses to administer to their diseases of misery and suffering. Such service, opens the way to respect, and grateful hearts, and many are won for Christ through the work of medical missions.

Rev. Emil Helm, home mission worker of North Blue Island, spoke in the interest of Home Missions. His subject was: "Thy Kingdom Come." This message also proved that there is a great need of home mission work, in its various phases. Being a home missionary, Rev. Helm pictured the life of his congregation met in a garage, and now have erected a neat little bungalow church, with a large Sunday school enrollment and active groups of workers.

Other phases of Home Mission work were presented by members of local societies of the federation.

Mrs. J. L. Clements of Lake Zurich pictured the life of "The Mountaineer" in a very interesting manner, from her own experiences, when working among these folks in Kentucky.

How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedke of Dayton writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, SAFELY and HARMLESSLY—take one half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast go lighter on fatty meats, potatoes, butter, cream and pastries—it is the safe way to lose unsightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at Ferd. B. Wendt—or any drugstore in America. If this first bottle fails to convince you this is the safest way to lose fat—money back.

But be sure and get Kruschen Salts—imitations are numerous and you must safeguard your health.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 6.

The Golden Text was "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved" (John 3:16, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Through discernment of the spiritual opposite of materiality, even way through Christ, truth, man will reopen with the key of divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure, and free" (p. 171).

Scout Leaders Learn First Aid

First aid was the chief subject for the consideration of both groups of Boy Scout leaders that made up the personnel of the Fall Training course of the Northwest Suburban Council at its last meeting Wednesday night. The instruction was made unusually interesting by the presence of a first aid team from the Public Service Co. These men not only gave the instruction but actually demonstrated many phases of it in such fashion as to make it easy to grasp the principles involved.

The two groups which usually meet separately were brought together for this meeting that all the men might have the opportunity to receive this important instruction. Following the demonstration, a short practice period was conducted covering some of the types of bandages, treatment, carries and the use of artificial respiration.

To Prepare For Outdoor Work
Next Wednesday will be the last evening meeting of the course before the outdoor session on Saturday and Sunday, November 19 and 20. And some of the program of this meeting will be given to preparation for the overnight session. At that time instruction will be given in all phases of the scout program that have not already been covered in the course as well as practice work in the subject that have been discussed. Particular emphasis will be placed on those subjects that are related to the out of doors.

The final meeting of the course will be a ladies' night program on December 7. At this meeting certificates will be awarded all those that complete the course.

To Distribute Fish Locally

Most 6,000,000 fingerling blue bass, crappie, black and small mouth bass are being distributed among the lakes and rivers of Northern Illinois by the state's hatchery at Spring Grove, Ill., Ralph F. Bradford, director of the Department of Conservation has announced.

The stock will go into the public waters of McHenry, Lake, Boone, DuPage and Cook counties. Hundreds of thousands of the fingerlings will be planted in the Kishwaukee, Fox and Rock Rivers, where the department has already released this year, 35,000,000 pike fry. The remainder of this season's crop of fingerlings will be planted in sixty-five lakes in that region, fifty-two of which are in Lake county and twelve in McHenry county.

The auction of \$2,000,000 in road bonds, the last of the original \$100,000,000, bond issue, has been sold to a syndicate of investment houses and banks for \$1,983,500 or an average of \$99.175 per hundred-dollar bond to yield 4.085 per cent. The sale of the bonds completes the sale of all the bonds in the two issues. Proceeds in the last sale will be expended before the end of the year in road work. Director Harry H. Cleveland states.

ARLINGTON ADDS ANOTHER VICTORY TO THEIR LIST

Elgin to Meet Arlington Here Next Sunday at High School

Arlington were again triumphant in their gridiron engagement with Crystal Lake last Sunday. Crystal Lake looked as though they would prove very troublesome, but it was a different story when "Chuck" Meyer got in the game.

It seemed he was the "Main spring" of the team. Although there were many others that started during the game; space will not permit the summary of the game.

The local team were superior in every respect and they wound up by trouncing the Crystal Lake team 12 to 0.

Next Sunday is the big day! Elgin will be here with a very strong team and this will be one of the toughest engagements of the season. There will be a big parade at 1:00 and the game starts promptly at 2:30, at the High School Field. Let's all join the parade, go to the game and spur the Arlington football team to victory.

Bureau Warns Public Against Coal Bargains

The soft and soapy gentlemen who have made their livings by selling the toll rights to the Michigan avenue bridge and the lions on the Art Institute steps are venturing into new fields.

Through newspapers, radios, and telephone calls, they are offering so-called "bargains" in coal and coke, all grades. Their prices are just enough under those asked by a reliable dealer, with an established business and reputation, to sound like bargains.

How can they do it? The answer lies in the warning the Chicago Better Business Bureau has issued.

"Nearly every year about this time, confidence game operators victimize Chicago coal purchasers by offering bargains in coal—either getting their money in advance and then disappearing, or delivering poor quality, short weight or mixed grades of coal."

How can you guard yourself against them? The Chicago Better Business Bureau advises, "To protect yourself, you must know your dealer. Know he will give you full weight and honest grading."

As members of the Chicago Coal Merchants' Association, we are pledged to deliver these two services to you or forfeit our memberships. Back of this pledge stands the Association's unconditional guaranty.

The state will start work this fall on 13 of the 25 cabins to be rebuilt at Old Salem State Park, where Lincoln was a young man a hundred years ago. Bids for these 13 cabins were called for November 1.

ARLINGTON WINS OVER WARREN 18-0

Arlington's Cardinals got safely past another obstacle in their path last Friday when they encountered Warren's team and won 18-0. From the score one would think that it was more or less of an easy game, but it was anything but that. Arlington did manage to get one touchdown early in the game, but were hard pressed to maintain their 6-0 lead until late in the last quarter. At no time in the game was Warren close to a score by rushing the ball, but all during the second quarter they rained a barrage of passes that had Arlington dizzy.

In the second quarter, young Zimmerman, Warren quarterback, proved his proficiency at hurling passes by throwing several into the waiting arms of receivers only to have them dropped. One of them, at least, should have resulted in a touchdown for Warren.

The odd part was that not one Warren pass was completed during the game. This was not due to Zimmerman's passing, but to inability of his receivers to hold onto the ball.

However, during the second half Arlington solved Warren's passing attack and managed to break up, or intercept all their passes. Two of these interceptions were turned into Arlington's last two touchdowns.

Warren's line completely outplayed Arlington's during most of the game. Only in the first quarter, when Arlington earned its first touchdown did the Cardinals forwards display anything like some of their previous efforts.

But the Arlington backfield functioned well and it was this fact that enabled them to win. The two Szasz brothers alternated at lugging the ball for long gains and making frequent excursions into Warren territory. Steve Szasz, particularly, played about the best he has so far.

Koelling plunged over for Arlington's first score after the two Szasz's had carried it up to the Warren goal. Arlington's second touchdown came at the middle of the last quarter when Hauff made a brilliant interception and 50 yard run of one of Zimmerman's passes. The final counter came when Steve Szasz intercepted another pass and ran it back 45 yards to the two yard line from which point Koelling again scored just as the gun was fired.

These four backs, Hauff, Koelling and Frank Szasz, and Koelling played practically all the football displayed by the Arlington team, although Rateike and Klehm at times played some nice football. Rateike's blocking of a Warren punt, just when Warren was proving dangerous, proved the real turning point of the game to Arlington.

Zimmerman, Cannon and their center, made heroic efforts to win their game, but could not cope with Arlington's shifty backs.

ArLtsWin Three Games
In the past week—Arlington's Lightweight football squad has played, and won, three games. Last Tuesday, Nov. 1, they went to Palatine and played a Palatine team composed of all men on the squad who are not seniors. In other words, Palatine's prospective 1933 team. After a hectic struggle Arlington's Lights emerged with a 12-6 win.

On Thursday Bensenville's Lights came to Arlington and were sent home with a 25-0 defeat. Monday of this week Niles Center's high school team was defeated 20-7. Niles Center has a three year high school but this is the first year they have had a football team. While their boys are rather green at the game, they show promise of developing into a good team.

Arlington's crack quartet of sophomore backs, Hertel, Brodman, Rohlfing and Forsen ably furnished the offense needed to win. Sicks and Johnson subbed and played some good ball when given the opportunity.

The line is composed of Mielke, Moehling, Miles, and Weisgerber, ends; Masny, Helwig and Siof, tackles; Scolaro and Milligan, guards; and Schulenberg and Long, centers.

LEYDEN DEFEATED BY PALATINE H. S.

LOOK LIKE CHAMPS IN FINAL CONTEST

Whole Pirate Team Stars in Sensational Grid Victory

Pal Upsets Leyden 14-13 Streamer Palatine closed the gridiron season Friday in a blaze of glory when they took a well earned 14-13 victory at the expense of the highly touted Leyden eleven. Palatine flashed a hard driving offense which could not be denied and a defense which clicked perfectly in the pinch to protect their slender lead.

The Pirates played championship football from the start and made the breaks count in their favor. After an exchange of punts in the opening quarter Leyden had the ball on their own thirty yard line. Three attempts at the line met stubborn resistance. On fourth down a bad pass from center put the kicker in a tough spot and Dreher and Haldeman promptly nullified him on the eight yard line. On the third play Jack Thompson burrowed his way through the line for a touchdown. Reuse passed to Haldeman for the extra point on a fake kick. It was one of the best plays of the game.

Leyden's powerful team came right back with some long end runs and drives through the line to tie the score at seven all at the end of the first quarter.

Palatine again went out in front with another touchdown in the second period. After several exchanges of punts and a few successful running plays Leyden carried the ball to the Pirate 30 yard marker. On a play off tackle the Leyden back appeared to have made a nice gain and the referee blew his whistle but found the man did not have the ball. Instead Jack Thompson had retrieved the pigskin and was legging it for the Leyden goal as fast as he could go but was stopped on the ten yard line. The ball being dead as soon as the whistle was blown the ball went to Palatine on the Leyden 40 yard line. This paved the way for the Pirates' second touchdown. Reuse flipped a 20 yard pass to Haldeman and when a few line plays failed to gain the Pirate quarter tossed another forward to the same receiver for a touchdown. Then for the fourth time in a row Reuse passed to Haldeman successfully and Palatine gained the point which turned out to be the margin of victory.

After leading at half time 14-7 Palatine held the Franklin Park team on even terms in the third period. In the fourth quarter a 40 yard return of a punt placed Leyden in scoring territory on the Palatine 30 yard line. A 10 yard gain through the line followed by a 15 yard penalty on Palatine gave Leyden first down on the 50 yard line from which they scored a touchdown. The Palatine line held like a stone wall and Leyden's try for extra point by plunging was stopped.

It looked like Leyden would pull the game out of the fire in the closing minutes of play as they marched down the field until they gained first down on the 13 yard line. Here the Palatine team stiffened and on the next three plays Leyden lost 10 yards due to some wonderful tackling by John DePue. On fourth down a pass was expected out Leyden crossed up the Palatine boys with a line smash which netted 18 yards and lacked only about a foot of a first down on the three yard line. Backed up almost on the goal Palatine took the ball and Hahnfeldt got away a long 60 yard punt. A little later Art Haldeman intercepted a Leyden pass as the game ended.

Speaking of stars we must mention the whole Palatine team which played a fighting, driving brand of ball. This brilliant exhibition turned a rather uninteresting grid season into a successful one which ranks above that of last year. Next season Coach Megel won't have to start at the bottom and build up a new team as many of his best players have at least one more season ahead of them.

Social Authority Advises Students

Dr. Clark of the Rush Medical college and formerly instructor for seven years at Cornell college, gave two separate talks, one to the boys, and one to the girls, on social hygiene.

His talks were interesting and yet were brief and to the point. Dr. Clark explained things concerning social life and sexual affiliations that every boy and girl of high school age should know. Dr. Clark was brought to P. T. H. S. through the courtesy of the alumni.

The students sincerely thank the alumni for their thoughtfulness and interest in bettering one's knowledge of social life and paving the way for healthier men, women, and children.

Highlights

The high school is pleased to announce that the Freshman class has added to its class roll the name of Ruth Stroker from Park Ridge. Welcome to P. T. H. S., Ruth.

At seven o'clock Monday morning, Paul Ketterman and Herbert Shermar started on their way to Texas. They expect to hitch-hike or hop freight trains till they get in Texas. After Texas, they will go through some of the western states into California. If possible they hope to enter Mexico. Lets, just for fun, count the days 'til they return. It's the seventh of November that they started.

Unfortunately Robert Paddock '34, has been forced to remain out for the last four weeks due to illness. The juniors extend their sympathy and hope he will be able to return soon.

It is rumored that Jack Thompson's little "Freshie" brother, Don, is starting an orchestra made up of "Freshies" and "sophisticated" sophs. They intend to call themselves the "P. T. H. S. Hot Cha's."

Teachers Meet at Winnetka Monday

The Cook County Teachers' Institute for divisions one and three will be held at the New Trier Township High School in Winnetka next Monday, November 14. At 9:00 a. m. the meeting will open with music by the students of the New Trier High School which will be followed by section meetings in which the following will be speakers:

Mr. Carleton Washburne, Supt. of Schools, Winnetka.
Prof. Howard C. Hill, Dept. of History and Social Studies, University of Chicago.
Miss Nellie Lee Holt, Stephens Junior College, Columbia, Mo.
Dr. Gordon Campbell, University of Chicago.

Dr. C. T. Simon, School of Speech, Northwestern University. The afternoon program will consist of addresses by Mr. E. J. Tobin, County Supt. of Schools, and Aaron Sapiro, Attorney of New York City. Mr. Sapiro will talk on the subject, "Is Education the Jonah of the Industrial Crisis?"

Economics Club Elects Officers

The Home Economics club held their first meeting last Monday afternoon. They elected the following officers who will carry out the work of the organization. Eleanor Olendorf, president; Isabel Wente, vice president; and Louise Wente, secretary and treasurer.

They decided to hold their meetings on Monday night of every week. At these meetings they are intending to do various tasks such as: Make quilts for the poor, re-model old clothes, repair broken toys, make Christmas presents, and other tasks too numerous to mention.

TRAINING RULES TO BE ENFORCED

"Students Should Help School Athletes Train," Says Coach Megel

Mr. Megel, boy's athletic director, Tuesday, November 1, spoke to the entire high school body about basketball; the boys going out for basketball, and rules and regulations for training.

In his announcement, Mr. Megel said that it was the duty of every student to watch the training that the basketball boys are doing and it is a student's duty to report any boy disregarding the training rules. The boys' director spoke firmly and forcibly about the team, saying that no boy, whether he is a good or a bad player, would make any team if he forgets the rules of training.

Mr. Megel also said that it was the duty of every student to attend games and uphold their team; that when their team lost they were losing and when their team won they were winning; and every pupil, even though he doesn't play in a game is part of the team. The coach mentioned also that he had seen, while he watched the boys practice, many boys capable of playing first team positions. So, remember everybody, a lot depends on you—cheers, music, pep, success and everything. Come on, we're going to every game aren't we? I'll say we are.

Organizations to Give "Radio Shows"

All clubs and classes of P.T.H.S. are busy preparing for an entertainment which is to be given in Cutting hall, Friday, November 18.

The program which has been planned, is being sponsored by the Junior class. It will be in the form of a radio broadcast.

The clubs and classes that are participating in this entertainment will be allowed fifteen minutes to display their talent, which will be judged by the audience.

The group which is selected to have had the best entertainment will receive 25 per cent of the proceeds; the group which is judged to be second best will receive 15 per cent, and the one which is selected as having the third best program, will receive 10 per cent. The remaining 50 per cent will go to the junior class.

The admission will be only 25 cents for adults, and 15 cents for children, so we would like to have you come and bring your friends.

Would you trade jobs with Mr. B.?

It's not too late to change to automatic, clean gas heat

A FEW years ago Mr. B. was a furnace-fuser himself. But not any more. He got the facts about clean, carefree gas heat—and now he sits comfortably in his favorite easy chair all evening long—with never a worry about heating his home. It's always just the right healthful temperature from morning to night. Considering all the extra comfort, all the extra convenience, Mr. B. doesn't think gas heat expensive.

Free estimate. One of the Public Service Company's heating engineers will be glad to call at your home, measure your rooms, and make a free estimate of what gas heat will cost during an average heating season. Many families are finding gas heat much cheaper than they had imagined.

You can rent a burner. For as little as \$5 a month you can rent a conversion burner that will make an automatic heating plant out of your present furnace or boiler. Rentals are charged during the heating season only—and may later be applied toward purchase. You can also buy a burner on convenient "Little by Little" terms.

About the Public Service Company:
Several outstanding facts about this Company probably are not as well understood as I think they should be. (1) It is purely an operating company and is not owned or controlled by any other company. (2) The majority of its stockholders live right here—it is "home owned". (3) All of its officers and employees live here. (4) Its future is irrevocably dependent upon the growth and prosperity of northern Illinois.

The "500" club meet with Mrs. Joseph Wichtner in her home on W. Campbell street, Thursday this week.

Mr. Sidney Allen has purchased the old Heven house on North Chestnut avenue and with his family is now occupying it as their home. The Miller family, who had occupied the Heidorn place, have moved into the Carl Hoeft place on the south side. Mr. Hoeft recently moved to a small farm in the vicinity of Des Plaines.

Mrs. Joseph Wichtner entertained in her home on West Campbell street, a trio of her friends from Beryon last week Tuesday, to a pleasant luncheon. The ladies were Mrs. Grimes, Mrs. Brown and Mrs. Rude.

Last Wednesday Edward Dueball attended the funeral of his uncle, Mr. Schwolow of Palatine.

Miss Lois Kossack is visiting friends at Morris.

Mrs. Martha Block was the guest of her friends at Batavia Sunday.

Mrs. G. R. Wolf of Mount Prospect was a guest of Mrs. H. A. Kossack in the manse Monday.

Mrs. Joseph Roth gave a party for the little folks Wednesday, Nov. 2, to help her little son, John remember his 5th birthday. So sure to please the children, I'm sure not only Mrs. Roth's little son, but all of his guests will remember this merry party, his fifth anniversary.

Mrs. Litewski of Chicago was a guest of Mrs. Joseph Hofstetter Thursday last week.

The Sunshine club met last week Thursday with Mrs. Charles Lewis, twelve members present, made sunshine in Mrs. Lewis' home. Games and refreshments made it a pleasant afternoon. The games were lively. The next meeting will be with Mrs. Wm. Lussman.

The many friends of Dr. E. A. Elfeld are sorry to learn that his work, overworked doctor, was forced to take a rest, much against his wishes. With Mrs. Elfeld, he left here Friday last week, to spend a vacation in the summer home of their daughter, Dr. Persis Elfeld, a home on a hill overlooking the bay where rest and cooling breezes it is hoped will restore him to strength and an early return home.

Mrs. Henry Hartman is planning to leave here the 14th, to visit her sister at Birmingham, Alabama. Later she expects Mrs. Charles Scherf to join her, when they will go on to Florida to spend the rest of the winter.

Please note—Wednesday next week the club members are requested to bring their donations for the Little Wanderers, round food stuff as well as cash, to the club meeting, Nov. 16, in the M. E. church. Please don't forget, Wednesday the 16th.

The Reconstruction Finance corporation has authorized a loan of \$6,303,150 to Illinois for unemployment relief for November. Of this sum, Chicago will receive \$5,554,500. This will enable the Illinois Emergency Relief commission to restore the food rations which had to be reduced for October.

Arlington Hts. Celebrates the Bicentennial

Arlington Heights' official civic celebration of the George Washington Bicentennial was held Thursday night with misty weather and a fair crowd.

After a prelude of several numbers by the Lions club orchestra, Commander Wm. C. Bockmeyer of Merle Guild post, American Legion, stepped to the platform and ordered the posting of the colors by the uniformed color squad of the post. All then sang two verses of "America," directed by Mr. Theodore Militzer and assisted by the Community Chorus.

Mr. V. I. Brown, principal of the High School and chairman of the committee for the celebration, then presented Mayor Flentie, whose remarks were concerned with the general celebration, mentioning also that churches, schools, Woman's club and other groups had already had their celebrations in Arlington Heights, but that the Commission had especially requested that a civic celebration be held, hence the present affair.

A one-act play, "Mother and Son," portraying a scene in the Washington home, April 21, 1743, six days after the passing on of George Washington's father, was given by local talent directed by Lillian Draper Klehm. The deeply religious character of the early colonists, especially George's noble mother, Mary Ball Washington, the sense of responsibility assumed by young George as oldest son and new head of the family, the gentle decorum and strong family traditions, were beautifully brought out in the play, which was very well given and creditable to all, including the women's committee.

The cast included: Mary Ball Washington, George's mother, Mrs. Hal Young; Jasper, negro servant, Mr. Humphrey Ashton; Mrs. Littleton, a neighbor, Mrs. William Jahn; Betty Washington, sister to George, Marcia Ruth Martens; Sally, a young negress, Grace Barrett; Samuel Washington, brother to George, Howard Heller; Jessie, a negro nurse, Mrs. Roy Dobbins; John Washington (David Heller) and Charles Washington (James Barrett), brothers to George.

The Community Chorus then filed to the platform, where "The Heavens Are Telling," from Haydn's "Creation," was sung, directed by Mr. Militzer and accompanied by Miss Mercie Heise of Palatine. As the speaker was delayed by dangerous road conditions of the night, the Chorus was asked to fill in the time, which they did creditably with two patriotic numbers, "The Home Road" by John Alden Carpenter, and Keller's "American Hymn."

Mr. Brown then presented Mr. George Davidson, past commander of Merle Guild post, who introduced the speaker, Comrade Judge Joseph J. Burke of the Circuit Court. Judge Burke's speech was a review of Washington's career, and was well applauded.

A big chorus number, "Halleluia," from "The Messiah" closed the program. The committee appointed by the Mayor were Mrs. E. H. Heller, Mrs. O. G. Barrett, Mrs. Charles Lorenzen, Mr. Elmer Crane, and Mr. George Davidson.

Lindner's Mill Is Giving Real Service To Entire Community

So many people have become accustomed to services of the Arlington Heights Roller Mills that they have given little thought to the obligation that the community owes to the mill, itself. Mr. Lindner took over mill and put it in operation upon a big scale at the request of local business men who desired that the farmers be able to come to this town for such service. Mr. Lindner re-invested practically all of his profits into improvements, an investment which is threatened unless the general public, farmers as well as others, are willing to give him the same break that they in turn would expect from others. Today the proprietor is forced to meet "unfair" competition. The chain stores and others are selling feeds, chicken mash, etc., at prices that are practically cost. While Mr. Lindner has always kept his prices down, if he attempted to meet such prices, he would soon be forced out of business. Some people trade at one place when they have money and run to Mr. Lindner when they need credit. Mr. Lindner has no hard feelings towards these people, but he does ask for a square deal. He has joined the other business men who are giving away the automobile. He has tickets on hand for his customers, and will be glad to give them out. Mr. Lindner says, "the farmer expects a profit from his products and he in turn should be willing that a business man have the same right." Mr. Lindner is right.

Give Reception To M. E. Pastor

A reception to Rev. and Mrs. W. L. Whipple, newly come to the First Methodist Episcopal church in Arlington Heights, was held last Thursday night in the church parlors, and was very well attended. It was sponsored by the Ladies' Aid of which Mrs. Howard Helm is president.

Judge William E. Kopplin was called on to speak in welcome to the new pastor and his wife, and although extemporaneous, his talk is reported to have been richly impressive. Response was made by Mr. Whipple. It was a general get-together, and all enjoyed the evening. Refreshments were served.

VILLAGE MAY PLANT ELMS IN STREETS

(Continued from page 1)

will give less chance for a car owner to try to say his tag is lost or under the seat, it was thought. Fred Kehe complained of the operation of stop-and-go lights in early morning, but the board held such is necessary. Village Clerk Peter was asked to furnish Mr. Hauff with last year's and this year's list of vehicle tag buyers, so that a check-up may be made. Mr. Hauff's report was accepted.

Current Finances

The Finance Committee reported on bills and payroll amounting to \$3,777.51, which included bills from the Public Service Co., taken out of previous payrolls of Sept. 19 and Oct. 3, adjusted to a new rate, and reentered in the current payroll. A saving of \$256.82 by such readjustment was indicated. A condensed list of items is appended to this article. Mr. Krause reported that the salaries had been paid, the post office item should receive early attention; the remainder held over. The vote was 6, says O. that the bills be "paid."

Mr. Krause also presented duplicate lists of 1931 time warrants outstanding against the Village; miscellaneous, \$8,455.71; to the Public Service Co., \$10,462.72; total, \$18,918.43. In addition, there were \$2,603.12 in current bills due the Public Service Co., for which no time warrants had been issued. Whether to go on and issue 1932 time warrants, or hold items open and thus save interest, was discussed.

Close Old Pump Deal

Mr. Hauff, who had agitated for an investigation into an unrecorded transaction whereby some \$6,000 worth of sewer pumps and motors belonging to the Seardsdale and Cepek subdivisions had been sold off to the Chicago Pump company for \$250 at the time of putting in the "Big Sewer," reported that he had telephoned and then seen officials of the Chicago Pump company, who appeared to know little about it, not even whether the transaction was written or verbal. Mr. Hauff complained that the Seardsdale equipment was practically new, and cost about \$5,000; the Cepek subdivision equipment was admitted to be old. The company officials claimed the machinery was of special type, and having been used was of doubtful value.

Mr. Klehm moved that the Board accept the company check and close the deal. Mr. Frankenberg seconded. The vote was 4 to 2. Mr. Schaefer and Mr. Hauff voting "No." Mr. Hauff maintained that former board members that knew about the transaction should be called in for questioning. The Company's letter in Mr. Hauff's hand was addressed to former Trustee Goodke.

What to do with Seardsdale ornamental lights was again asked by Mr. Flentie. Attorney Thal replied that it would seem good judgment to take them down and store them away to prevent further damage for which the Village would eventually be liable in replacement.

To Save Postage on Bills

Mr. Barrett, water chairman, gave results of investigation into legality of distributing water bills by Village employees instead of through the postoffice. It appeared that delivery by regular employees of the village would not interfere with the postal laws, and this will be tried. It takes 3 cents a bill, or \$35 to \$40 to do the job through the post office.

Authorize New Police Service

Recent robberies in Arlington Heights having alarmed the merchants, they desired of the Board that a special night policeman be authorized by the board and to be paid by the merchants receiving the night watchman service. It was voted to appoint Mr. Ira Melbourne for this work, for a nominal salary of \$1.00, until his legal status could be determined or arranged more exactly by the time

of the next board meeting. The business men wanted the special policeman to start Tuesday night. A resolution approving all past time warrants issued to the Public Service company, was passed at the request of the company's representative, Mr. Schreiber.

Mrs. Raoul Peeter Welcomed Home

Saturday evening last week, Mrs. Cizek planned and carried out a welcome home surprise for Mrs. R. Peeters. In this about 30 friends and neighbors, the guests, members of the choir of St. James church, Mrs. Cizek's plans were prettily carried out when into the Peeters home walked this musical chorus cheerily singing "Welcome Home!" They placed in Mrs. Peeter's hands a basket of roses as fragrant and as beautiful roses, from Mr. George Klehm's greenhouse to remind Mrs. Peeters we have roses here for our loyal friends as lovely as any in California. Also that Mr. George Klehm is an artist in growing roses, as well as in singing bass.

No need for their hostess to worry about refreshments as the company came with hampers of the choicest food, as well as all the makings of the party, prizes and everything to make it a friendly success. It was charming to see how Mrs. Cizek could arrange and stage this delightful party, as successfully as she harmonizes—and directs the choral society.

Our dear Mrs. Peeter's great heart of love was thrilled with unspeakable emotion, with this expression of her friends' gladness to have her at home again. It was indeed, a sincere welcome home.

Tree and Bird Defenders Talk to Woman's Club

Wednesday, Nov. 2, the club enjoyed a garden program at the Draper home. The usual opening exercises with the president, Mrs. Heller, in the chair, routine business taking its usual period; the secretary's and treasurer's reports read and approved.

Ten dollars was voted to be given for the Welfare Dental Clinic. The donations for The Little Wanderer mentioned and box left for donations. Mrs. Rexford Volz, chairman of Social Service committee, mentioned the Red Cross request for members of the club to help in making up cut-out garments of muslin furnished by the government for relief work. Several volunteered to take home garments to make. Mrs. Hofstetter was called upon to explain the offer of "The Better Films" Bulletin to be furnished to this club, to keep them intelligently informed as to pictures shown or available. Mrs. Hofstetter said for one dollar this bulletin could be obtained. It was voted to have her send for the bulletin for the club.

The first number of the program directed by Mrs. Draper was a talk on trees by Mr. Bangs. Their beauty and beneficence in the life of man; trees as an ornament, and protection to the home; as a shelter from storm—in fact of their indispensable beauty and utility. All this Mr. Bangs, a landscape artist, gave to the audience in strong, simple language, answering many questions, as well as giving intelligent suggestions on what trees to select; where and how to set them as well as how to care for them. Mr. Bangs also talked of flowers, how to select and plant, giving his preference to perennials, or biennials for most satisfactory for home planting. Time will not permit to give in detail this suggestive and instructive talk of Prof. Bangs, yet we know it was highly appreciated by those who carried away many helpful hints and suggestions.

Dr. C. P. Draper next favored the audience with a talk on birds, what they meant in his life; from earliest recollection he loved and longed to protect all birds from his first bird pet young screech owl, which he cherished for years and only had to give it up when he was sent east to school and the owl's natural food, mice, failed in supply and his cherished pet died. From the pet owl he told us of our native birds, how one by one they are becoming extinct. Illustrating this he gave a painfully vivid picture of the slaughter of Passenger Pigeons, carried on in the east. A horrible, yet all too real destruction until where millions of those harmless, useful birds. We, as children, used to see over 75 years ago fly in long processions over the prairies, are entirely extinct. Last year the last pigeon died, long kept in a museum.

We deeply sympathized with Dr. Draper in his agitation as he described his long struggle to save our birds, the song birds and the game birds of this region. The Drapers have long fed and sheltered flocks of pheasants, quail, and the various wading birds. The Whipoorwills are no more. The White Heron, the blue Heron, "Thunder Pumper" or American stork, swallows, bluebirds, martins, all fast disappearing.

I doubt if there is outside great museum a finer display of birds than Dr. Draper has preserved by his skill in the art of taxidermy. A noble white swan, a golden and a bald eagle, pheasants, quail, prairie grouse, more of our native birds than space can be spared to mention.

Public School Boys Play Final Game in Football Thursday

The football team of the public schools in Arlington Heights will play their last game of the season Thursday afternoon this week on the Arlington Heights high school field, and against Crystal Lake. They were defeated by Crystal Lake earlier in the season, but have a strong team now, and hope for a victory.

American Legion Auxiliary Notes

The Arlington Heights Relief committee will soon receive 16 flannel baby kimono made by members of the Ladies' Auxiliary of the Merle Guild Post of the American Legion, funds for materials being provided by the auxiliary. The sewing party was a pleasant affair at the Legion home Friday afternoon, Nov. 4. Cake and coffee were served after work.

The Auxiliary have made arrangements for another of their amusing plays, "Circus Solly" will be given about the middle of January.

Saturday evening, Nov. 19, a Harvest party will be given in the Legion home. Come, dressed in Harvest times clothes. There will be games, refreshments, door prize, a turkey auction, lots of fun. Everyone invited, admission 25 cents, Nov. 19.

CARD OF THANKS

We desire to express to our neighbors and friends our sincere thanks for the many acts of kindness and expressions of sympathy received in our bereavement.

A CORRECTION

The "Song to Hoover" published in last week's issue was contributed and paid for by Mr. Mazorok of the Albert's Shoe Shop.

Among the unforgivable enemies of our song birds, he showed the English sparrow and a more recent importation of an enemy here to destroy our native birds, the starling.

I wish Dr. Draper might give his instructive talk on birds to a larger audience, and somehow emphasize the crime and folly of man in the senseless destruction of our native birds.

The hostess, with her daughter, Mrs. Klehm, assisted by the club members served a choice refreshment.

All left with thanks to the hostess and to the speakers. Mr. Bangs and Dr. Draper, who had so instructively entertained us.

Club meeting date Wednesday, the 16th. Reciprocity with home organizations. Readings, Mrs. Lilian Brobahl Smith; music, Club chorus; special by Mrs. Frykman, violinist.

The Woman's club of Mount Prospect gave Reciprocity Day Tuesday last week. Among those who attended from here were Mrs. Heller, president; Mesdames Briggs, Jarvis, Parker, Fitzpatrick, Roth, Gamman. The program, a native Persian who addressed the company on the poetry and art of Persia. He said many thought of rugs and woven fabrics as the highest expression of Persian art. In this, he said, they are uninformed, as Persia has many examples of the highest art in music, poetry and pictures. He gave specimens of poetry in his readings; also exhibited woven rugs. The hostess club gave vocal and instrumental music. The visitors feel they were royally entertained, thanks to Mt. Prospect Woman's club.

Mrs. George Dobbins was hostess Monday evening to the Corephelia society. After the business meeting, games and refreshments were enjoyed.

Uncle Bill' Says, "Keep on Fighting, Boys"

Uncle Bill is well known around the Democratic headquarters in Wheeling township. He has brought to the Herald a greeting to all who voted the Democratic ticket Tuesday. We publish herewith:

"Hurrah for Roosevelt!"

"Hurrah for all the victorious candidates of the Democratic party and hurrah for Homer J. Byrd, leading general of our fighting army in the township of Wheeling, the stronghold of the Republican party in Cook county."

"But the walls of the mighty fortress are being shattered and beginning to topple under the strain and continued bombardment of the Democratic artillery."

"Although we did not advance as far and win such brilliant a victory as our fellow warriors through out the state and nation our General and soldiers even though we are in the minority have put up and gained a wonderful foothold in one of the hardest battles fought in Wheeling township and therefore I say to my fellow soldiers, keep your guns loaded for further action and advance."

"Uncle Bill."

Schools

RIVER ROAD SCHOOL, DIST. 78

Tuesday evening, Nov. 22, the Achievement club of River Road School will hold their annual Achievement meeting and program at the school at 7:45 p. m. This program will be followed by a bunco party.

The girls of the 5th, 6th, 7th and 8th grades under the supervision of Mr. Sjoström, are making a beau-

tiful quilt "The Rare Old Tulip" pattern. Some one will go home happily with this beautiful quilt.

Mrs. Raven teaches music and reading every day to the primary children during the sewing lessons. Marianne Bacle and Margaret Newman are making Thanksgiving posters.

We are having oral spell downs each day in order to select our three best spellers from our 7th and 8th grades for the WBBM spelling Bee contest.

The upper rooms have finished their monthly exams. They report them easy.

The 7th and 8th grades took a

set of standardized tests last week in history. They thought them great fun.

Our school had a Halloween and birthday party Monday, Oct. 31. Six children in the upper rooms celebrated their birthdays. We all had refreshments of ice cream and cake. Marianne Bacle and Evelyn Lewandowsky won a prize.

SCHAUMBURG

Erwin Brandemeulle is back in school after being sick.

L. Pohlmann is feeling better and is up and around again after his accident caused by a Halloween prank.

Give freely through Wheatridge Seals and help blot out the white plague.

Don't forget the Walther League social, a Hard Times party. Bring old shoes, clothing or magazines as your entrance fee. Don't forget that costume. Remember the good time of last year; a better one is planned for this year.

Buy Wheatridge Seals and thank God that your life has been spared.

Little Frederic Nebel is improving from his recent illness.

Mr. and Mrs. Fred Pfingsten spent Monday evening at the Busse home in Mt. Prospect.

Mr. and Mrs. E. H. Eggersmann and Mr. and Mrs. E. Pfingsten helped celebrate the birthday of Prof. Obermann of LaGrange, Sunday evening.

Sunday, Nov. 13, at 2 p. m. Mr. H. Panzer and Miss H. Gehrke will be married at the church in Bensenville.

Mr. Martin Zoellick and Miss I. Blumberg will be married Nov. 19.

Wedding bells sure are ringing. It's a good sign that prosperity is returning.

Mr. and Mrs. H. Panzer will move to Schaumburg Center soon.

Wm. Freise and wife visited the Wm. Busse's in Elk Grove Sunday.

Mr. and Mrs. R. G. Amling attended the Bentrott funeral last week.

Messrs. Theiss, Rohlwing, Becker, spent Sunday with their parents.

Monday, Nov. 21, is the night of our lecture. Our speaker is Rev. Dankworth of Hinsdale, who has just loads to tell us. We want to have everyone there to hear this forceful speaker.

Mr. and Mrs. John Bartels celebrated birthday at the home of Mr. and Mrs. S. Meyer at Rodenberg.

A very pretty wedding was solemnized in the church last Saturday, when Henrietta Haase became the wife of Henry Salge. The bride was attired in white satin, the bridesmaids wore gowns of chiffon velvet in rainbow colors green, blue and orchid. A cousin of Mr. Salge from Danville, was in the bridal party.

WHEAT RIDGE CHRISTMAS SEALS

The time is drawing close for selling Wheat Ridge Seals. For years the young people of our church have successfully sold these seals, surely you all have heard about and used these seals. They help support our Lutheran Sanitarium at Wheat Ridge near Denver, Colorado.

The seals cost only a penny but these pennies add up into thousands of dollars. This money is used for the care of tuberculous Lutherans who are not able to provide for their own treatment.

Tuberculosis is one of the most dreaded diseases. The results obtained at our sanitarium have been truly remarkable. The generosity of our Christians has made it possible to take care of hundreds of cases that could otherwise not have been accommodated.

Buy all the Wheat Ridge Christmas Seals you can and share in the blessedness of Christian giving.

Remember when you buy seals you are not only aiding these people with medical treatment but also with spiritual care. Wheat Ridge Seals aid many a seeker who is going the way to Bethlehem. At Wheat Ridge the sweet story of the new born Savior is proclaimed to hearts bowed down with grief and sadness, to persons whose bodies are wasted away with disease and affliction. You can help make the way less hard, you can support the work of Wheat Ridge. Give freely and willingly to this worthy cause by buying many many seals.

In grateful recognition of the health with which God has blessed us this year, let us help make it possible for others less fortunate to receive the tender care of our Lutheran Sanitarium.

When our young people come to your home to sell these seals, buy freely and remember Christ says, "What ye have done unto the least of My brethren, that have ye done unto me."

Little Johnny Jones at DesPlaines Theatre

Arrangements have been completed to bring Little Johnny Jones, the celebrated magician, to the Des Plaines Theatre on Sunday, Monday and Tuesday, Nov. 13, 14 and 15. This means a great treat is in store for all who love mystery, thrills and real fun. Little Johnny Jones and company presents a magic show that is different, not a vaudeville act, but a complete show in three great acts, mounted with gorgeous stage settings and beautiful costumes and over \$6,000 worth of magic apparatus is used during the performance.

Little Johnny Jones has been endorsed by the press and public as the magician of tomorrow. He is the inventor of the sensational illusion of "Sawing Through a Woman Visibly" and this feature will be one of the many that he will present here.

WHEELING

Mr. and Mrs. J. A. Schminke attended the silver wedding celebration of their nephew and his wife, Mr. and Mrs. John Miller of Chicago on Sunday.

A baby daughter, Dolores Ann, was born to Mr. and Mrs. M. Melzer, at the Wheeling hospital, on Monday, Oct. 31st.

Mr. and Mrs. James LaRowe, and baby daughter, of Monteno, called on friends here on Sunday.

The question of shooting game within the village limits was discussed at the meeting of the village board on Monday evening. After due consideration, the board decided to issue permits to residents of Wheeling, to hunt within the village on the last 3 days of the pheasant hunt. Those requesting such permits may secure them from the village clerk, and must also have permission from property owners. All hunting will be restricted to residents only and to the days mentioned.

The O. W. Walker family have moved back to their home state of Minnesota.

Reiterating a former opinion, the supreme court has held that all former stockholders of a state bank are liable up to the par value of their stock for all deposits made

while they were stockholders, provided the deposits were not withdrawn up to the time the bank closed. In contrast to the former opinion, however, the court did not pass on the general question of the statute of limitations or the general question as to liability of heirs of former stockholders who have died.

"Washington Merry Go Round" at Uptown and Tivoli; Stage Shows

For sheer timeliness, no other picture produced in Hollywood can compare with "Washington Merry Go Round," coming Friday to the Uptown and Tivoli Theaters, and hailed as a sensational film expose, of what really happens behind the scenes in Washington political, social and diplomatic circles. The picture now comes at a time when the entire nation is discussing the Presidential campaign with more serious enthusiasm than at any time in the country's history. "Washington Merry Go Round" is a powerful and dramatic story of a patriotic young Congressman's dramatic struggle against the political machinery of Washington. The picture has a splendid cast headed by Lee Tracy, brilliant young actor who has captivated picture audiences by his many outstanding performances. Others are Constance Cummings as the heroine.

Marie Dressler and Polly Moran now at McVickers

Marie Dressler and Polly Moran are making McVickers' Theater audiences laugh and roar in their latest fun riot, "Prosperity." From the moment these two comedienne start battling over the married lives of their grown children until the dramatic sacrifice of the redoubtable Marie in the movement of the plot, it moves like lightning, and laugh piles on laugh. Miss Dressler and Miss Moran are their blistering, rattling selves through many a side-splitting scene, and then a dramatic twist puts them to some very real acting, from which they emerge more than triumphant.

Jack Buchanan at United Artists

"Magic Night" latest starring vehicle of Jack Buchanan, and thus the international star will be seen upon the screen for the first time since "Monte Carlo" the Ernst Lubitsch effort. "Magic Night" will introduce to Americans, England's new reigning cinema queen—Anna Neagle. This young woman has hit genuine heights in Europe and her charm is confidently expected to make her captivation of movie audiences world-wide when "Magic Night" is shown throughout America. The story has to do with a young Austrian count who finds life extremely enjoyable until that day when the declaration of war cuts short his romance with a Viennese flower girl. War splits them as far apart as the two poles, but when war's devastation is at an end the new spirit brings about a reunion and happiness.

Will Rogers on Chicago Screen

Will Rogers returns to the screen of the Chicago theater, Friday, in his latest picture, "Too Busy to Work." The story of "Too Busy to Work" revolves around the adventures of a philosophical and kindly vagabond and his search for his daughter, whom his unfaithful wife took with her when she ran away with a more aristocratic man while he was fighting in the war. He finds her living luxuriously and in love, and rather than make her unhappy by revealing himself to her, he goes on his wandering way, contented by the thought that she is enjoying blessings that he could scarcely provide for her. While Rogers is said to be accorded more than the usual number of chances for witty comments, his role is also highly sympathetic. Marion Nixon, Dick Powell, Constantine Romanoff, Douglas Cosgrave, Louise Beavers and Jack O'Hara ably support Mr. Rogers.

Ed Lowry and Fanny Brice at Oriental

Friday, Armistice Day, starts weeks of great new shows on both stage and screen at the Oriental theater. The first of these is headed by Ed Lowry, who was city of St. Louis' outstanding personality three years, and Fanny Brice, who was the big headliner of the best of Ziegfeld Follies. Ed Lowry is a comedian second to none—and he sings comedy songs and ballads, like you've never heard them sung before. For six years Balaban & Katz have tried to get Lowry and finally have succeeded. Fanny Brice, who is the world's funniest comedienne and sub-songstress, is making her first appearance before a motion picture audience at movie prices. On the screen is a racy and entertaining drama, "Blessed Event," with Lee Tracy, famed Broadway star, playing the role of a chatter writer which closely parallels that of a famous Broadway columnist.

Big Barn, Cattle, Destroyed in Fire West of Palatine

A large cattle barn, milk house, three cows and two horses were lost by fire last Thursday evening on the farm of Charles Vogt, Baldwin and Ella roads, west of Palatine. The barn contained much hay and feed.

The fire, of unknown origin, did quick work. Mr. Vogt had gone into the house for supper, at about 5:45 o'clock; clouds of smoke were seen coming from the barn; rushing out, it was possible to save most of the stock.

The Palatine Fire department came and helped to save the other buildings. The loss is estimated at about \$6,500.

Six Cylinder Sentences

By DR. JOHN W. HOLLAND
Heaven is not reached by a single "boulder." The ability to create an alibi will curse any man. If you have common sense you have sufficient capital. Go on! Take account of your shortcomings, and you will not come short in your accounts! This is a wonderful world only so long as we keep alive our sense of wonder. An American with a dead mind once saw Yellowstone canyon. He said, "Some ditch." Seeing nothing, he spat on the ground and drove away. (© by Western Newspaper Union)

STATE CAPITOL NEWS

The Illinois Commerce commission has called in attorneys interested in the natural gas rate hearing now before that body and informed them that it desires to end the cases before it by November 15. The natural gas cases affect the City of Chicago and northern Illinois.

People who have not made a visit to Dickson Mound Builders' Tombs, between Havana and Lewistown, should motor there and see the greatest display of stone age man in the world. There are two hundred and thirty skeletons and possessions of a pre-historic people left in their original positions. It is estimated by leading archaeologists to be 1,000 or more years old. No one knows whence these people came or what caused their mysterious disappearance. These mounds should be purchased by the state of Illinois for a state park and perhaps will be.

In the dairy herds of Illinois at the present time, there are only five heads of cattle infected with tuberculosis where there were seven in just one year ago, and the average cost of the tests administered to detect this disease has been reduced from 50 to 42 cents per head within the past twelve months, according to information from the animal industry division of the state department of agriculture.

With a total of 10,727 penal wards, Illinois now has practically as many law violators in its penal institutions as has England and Wales, although it has only about one-sixth the general population of those two countries. That statistic was made by Director Rodney H. Brandon, who was prompted to make the comparison when a report submitted to him by Col. Frank D. Whipp, acting warden of Joliet penitentiary showed that institution reached its peak on October 18 with 4,874 inmates.

The first opinion on the new gas-tax bill has been forwarded by Attorney General Oscar E. Carlstrom to A. J. Fish, executive secretary of the McDonough County Emergency Relief commission. The attorney general held that motor fuel taxes heretofore allotted to counties and not obligated for some of the other purposes for which such moneys may be expended, may be used for relief purposes.

ARMISTICE DAY PROGRAM
A Community affair will again take place on Armistice Day, Friday, November 11, sponsored by the Veterans of Foreign Wars, Prospect Post No. 1337. Everyone is invited to attend and pay tribute to our heroic dead. Assembly will take place at 10 a. m. at the Public school, where the flag will be raised, then proceed to the village hall at the flag raising there and on to the St. Paul Christian Day school, where the commander will introduce the speaker of the day, Reverend J. E. A. Mueller. Remember, folks, this is not only for the veterans, but everyone is asked to attend. Those dear boys that lost their lives, gave their all for us and it is asking so little to just remember and pay tribute to them on this day of days, Armistice Day. Tabs will be silenced at 11 o'clock, when a silence of one minute will take place.

St. Mary's drum and bugle corps will head the parade and the Ladies' auxiliary, Veterans of Foreign Wars and also the Mascouten Camp Fire Girls, the public school children, the St. Paul Christian Day school children and many others will take part.

Local Family Attends Wedding at Bensenville

A beautiful wedding took place at the St. Paul's Lutheran church at Norwood Park when Miss Florence Dohse, daughter of Mr. and Mrs. Otto Dohse, became the bride of Harvey Schnell on Saturday, November 5th. Mr. Walter Gosh of Mt. Prospect acted as an attendant. The marriage services were read by the Reverend Zimmer and a wonderful reception was held at Bensenville in the Franzen hall. The bride made a very sweet picture and together with the groom, bridesmaids and attendants it was a group to be admired. Decorations filled the hall and a bountiful feast together with the large wedding cake adorned the tables. Among the many guests present were Mr. and Mrs. Helmut Gosh and family of Mt. Prospect.

Power has been conferred upon the Reconstruction Finance corporation to aid in self-liquidating housing projects where such projects are authorized by state law and are subject to state supervision. Proposed legislation is now pending in the Illinois general assembly and will come up for consideration upon the reconvening of the two houses after November 8. The passage of such legislation will enable housing corporations to be organized in the state of Illinois and to obtain their proportionate share of federal funds to be employed in immediate building construction.

MT. PROSPECT POST NO. 525 LEGIONNAIRE

Ladies' Auxiliary Prospect Post 1337

At the last business meeting, the president-elect, Mrs. Emma Holste, chose as her secretary, Mrs. Amelia Flesch. Mrs. Caroline Greinle was elected chaplain. A library has been planned for the V. F. W. National Home as one of the Christmas gifts for the children. As there are now some seventeen cottages (home, 2 stories high), on the vast 512 acres of land, it will take a great many books and this gift is to be in the home for Christmas. This is another step forward in improving the National V. F. W. Home for Widows and Orphans of deceased service men, the only home permitting the mother to take care of her children and the Ladies' Auxiliary of Prospect Post No. 1337, Veterans of Foreign Wars of the U. S. are very proud of the fact that they have played a large part in the upkeep of the home. With our library donation as a holiday gift, Prospect Post No. 1337 will see that the little tots will also get toys and candies. The post has played a large part in maintaining the home and help furnish pleasures for the tots. 472 acres of this land was offered as a gift from Mr. and Mrs. Corey J. Spencer of Jackson, Michigan, and what a wonderful gift it was. On the barren farm lands are now trees, homes, sidewalks, 2 artesian wells, a sewerage system, a brick pumping house, a warehouse and cellar, hog and chicken farms, 5 acres of vegetables with an irrigation system and a wonderful hospital.

The hospital was built by the Ladies' Auxiliary of the Veterans of Foreign Wars and is one of the most modern and every care is given the child. The land now has 512 acres and also has its playgrounds. The library will be the added new attraction at the home. Prospect Post Auxiliary, V. F. W. has also contributed to the Armistice Hospital Day celebration at which packages of cigarettes will be distributed throughout the state hospitals.

Amer. Legion Preamble To The Constitution

For God and country, we associate ourselves. Together for the following purposes. To uphold and defend the constitution of the United States of America, to maintain law and order. To foster and perpetuate one hundred per cent Americanism; to preserve the memories and incidents of our association in the great war. To inculcate a sense of individual obligation to the community, state and nation. To combat the Autocracy of both the classes and the masses. To make right the master of might. To promote peace and good will on earth. To safe guard and transmit to posterity the principles of justice, freedom and democracy. To consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

After you have read the above we are sure you will agree that any organization living up to those words could be nothing but the greatest help to this country. Then remember that there are over ten thousand posts in the United States and over one million members who recite the preamble at every meeting. It is well to remember that the American Legion is the largest patriotic organization in the world, and that they will always be the guard between our country and those who would destroy our United States.

Our local post American Legion will have some mighty fine affairs this year. The entertainment chairman, Joe Huber, is the go get 'em type and the first affair will be the Armistice Day dance November 12, Northwest Hills Country club with admission only 50 cents.

Mount Prospect Post 525, American Legion, will join in with the entire Cook county council on Armistice Day at the City hall. This will be held on La Salle street side and starts at 10 p. m. We believe all the people working in Chicago on Nov. 11, should see and hear this program.

VETERANS OF FOREIGN WARS

PROSPECT POST NO. 1337

"The Gold Stripe Organization"

November 11, 1932. All quiet now. The marching hosts are gone. Gay voices silent, their youthful laughter stilled forever. The solitude is deceptive. They are still over there, standing mute now in endless rows. Eternally they will stand thus in silence. "At 11 a. m. firing will cease on all fronts. This is official." So read the message sent out to the weary boys. What music it must have been to their ears! The thought, home, was uppermost in their minds.

Once again the youths of yesterday, made old in these years, marched triumphantly through the crowded streets. The moos cheered and sang. What a day! It is a picture never to die in the minds of the people throughout the United States. At the eleventh hour of

the eleventh day of the eleventh month in the year 1918, the news of Armistice resounded over the entire world. People knelt and gave thanks to Him who at last delivered them from the perils of this disastrous war. And this not reason enough for us to celebrate Armistice Day? The boys, "Our Boys," volunteered to give their lives and lose their limbs for their country's sake. Loyalty, patriotism and love of freedom had done what mere man could not accomplish. The cannons roared out the great news, defeated Germans embraced the allied forces. Yes, we have peace. Peace! This great day of the living and dead, Armistice Day, should become one of the world's greatest days and we should honor that dead by helping the living.

Regular services Sunday.
The Ladies' Aid will meet Thursday afternoon.

The Bible class will hold its meeting Thursday evening.
The Young People met Monday evening. They decided to play volleyball every Friday evening.
The Ladies' Aid will give a supper and entertainment Tuesday, Nov. 29.

The Men's choir will give a minstrel show Thursday and Friday of next week.

The legislature reconvened in special session on October 25 and shortly thereafter recessed until November 15. At that time, the

session probably will adjourn sine die unless there is unforeseen demand for added relief legislation. All bills passed by the general assembly to date have been signed by Governor Louis L. Emmerson.

MT. PROSPECT COMMUNITY CHURCH
Rev. H. H. Dennison, Minister
Sunday, Nov. 13.

In keeping with the spirit of Armistice we shall think together on the question: Are we winning peace? The general desire for peace is as great as at the close of the war, but there is much confusion as to how peace may be achieved and a lack of knowledge as to the factors affecting it. You are invited to meet with us and consider this question.

PLANK NUMBER ONE

Better Banking Laws

At the next session of the State legislature, Illinois bankers will renew their efforts to secure improved banking laws for the greater protection of bank depositors and stockholders.

Among the many reforms urged will be the creation of a non-political banking board, maintained at the expense of the banks, not the public. This board, composed of five members, representing banking, industry, agriculture and labor, would have complete supervision over all State banks and would establish safe and sound methods of banking. It would have the power to grant or refuse charters to new banks. Its authority would be used to keep unfit individuals out of banking; to remove officers and directors proved dishonest or incapable.

Illinois bankers are working earnestly for your best interests and to surround banking with added safeguards to assure greater security to every depositor.

Local War Records Preserved in Files Of Legion Auxiliary

A permanent record of the World War service of many Mt. Prospect families is contained in the membership files of Mt. Prospect Unit of the American Legion auxiliary, according to Mrs. Ruth Carlson, Unit Secretary. Mrs. R. Carlson is adding additional records to the files as new auxiliary members are being enrolled for 1933. The application form of every member lists the war service of members of her family and becomes a permanent part of the auxiliary records.

The auxiliary membership records will become of increasing value as the World War recedes further into history, Mrs. Carlson pointed out. They very probably will be used by descendants of World War veterans to establish eligibility for honorary organizations based on war service. They also will provide a wealth of detailed information for historians and biographers of the future.

Women who are members of the auxiliary run no risk of losing official record of their family's war service. In addition to the record kept in the files of the local unit, copies are sent to state and national headquarters of the auxiliary where they are permanently preserved.

Don't forget if you are interested phone our membership chairman, Mrs. Frances Gould 852, who will be very happy to call on you.

BOWLING NEWS

Chalk up the first white wash of the season by the Wolves who decided it was about time to show up some of the other fellows and took the Bankers down for the set and put them down in fifth place. Now all the Wolves have to do is keep going and maybe they can change places with them. Winn came through with a high game of 254 to take the dollar and finished with 646 to set a new individual mark, while the best C. D. Busse could get to lead the Bankers with was 429.

The Hardware started off with quite a splurge and took the first game by a very neat margin and lost all their pep after losing the second by 4 pins and couldn't get going again so they lost the odd one too, to Meeskes's. Haas was forced for Meeskes with 518, while Fossick rolled a 224 game for the dollar and 559 to lead his team.

The Garage had to put up quite a fight to take two from Kinsels. Radler rolled a 219 game to take the money, but Marback had 565 to take the lead in the Garage and Bumba led the losers with 598.

OBSERVER'S NOTES

All from Maine to Vancouver know its Roosevelt or Hoover; So stand like men now, and take it, If you think the choice is all right; If it isn't why fight, It is now too late to break it, Our pre-election promoters Shrewdly knew to bam boozle voters, Our government is what we make it.

If it so chance, we have more voters than men elected to office, we, the disgruntled ones, still have a majority chance. Yes a chance to "think" while we toil to pay the expense of supporting in luxury our officials.

After all in seeing they are well kept it is keeping money in circulation, which we are commanded to do. But how can frozen assets circulate?

There really seems to be a fear in the minds of many that some other Roosevelt will be elected in place of the redoubtable Franklin D. So many are voting for Teddy, his sons or his uncles, fortunately no one has mentioned his daughter as our next president—lets all vote for her next presidential election.

Funny, wasn't it? Just after writing the above about the mistakes made all over the nation about the Roosevelts and so many mistaking Candidate Franklin Delano for "Teddy" Roosevelt, who has been out of the political troubles of this world; you tell how long.

Yes, it was funny or a strange coincidence that after writing of the Roosevelts' mixup, should read of our conscientious Farm Adviser's apology for a like mistake in reporting a call at his office from Gen. Leonard Wood, who shuffled off this mortal coil more than three years ago when in fact, his caller was General R. E. Wood, president of Sears, Roebuck & Co., who called. Never mind O. G., all Generals look alike to us brainy folks.

Ever so pleased to read of the visit of Herman C. Behnke's to Arlington Heights and glad to read his appreciation of our grand old trees. Sorry he failed to see any coffee trees as we have three good sized Kentucky Coffee trees, "Signed and sealed" as genuine by one of Father Davis' agents, the tree man.

Wonder if he saw Mrs. Rosina Horcher's beautiful Magnolia tree? Another tree should like him to have seen our Black Walnut trees planted by our own hands fifteen years ago, now big enough to make into antique furniture. From one of these trees we "harvested" more than a peck of nuts, fine smelly hulls fit for catsup.

Wonderful has been the lingering of our flowers. Noticed that beside those mentioned some time past in these notes, a purple Clematis the Jackman, blooming, even today on the south side of the Henry Hartman's garage; its starlike flowers bright as ever. In spite of drouth and a nip of white frost we still have flowers blooming on.

The winter or out door chrysanthemums huddling close to our south wall are beginning to open, and if weather isn't too unkind, may brighten our table for Thanksgiving. One of the dear old flowers Father and Mother always kept carefully for Thanksgiving, especially the golden yellow and the white.

The flowers, the trees, anything to keep our thoughts from wandering into dark, gloomy places, Depression or political mixups, by the time this is in print, we'll all be elected or promised secure positions by our victorious friends elected. Cheer up!

Dr. Draper gave us such a fine talk on birds. Here they come, the black birds for their vesper or even song. The birds, the trees—man could not exist without them. We had to write a dirge for our oldest cottonwood. We wrote waitings for our grand old Elms and the Maples long since slain—yet as the Apostle said, "There were other lit-ships." So there are other lit-friends, making enemies, counts

ture and dimensions. Thank God for trees.

A friend—tree lover—said to me, "I do admire a noble tree, Yet if it shuts out of my sight The bright stars and the sky at night, I wish that it might somehow be removed a bit farther from me. I love the trees, yet even more I love the night sky to explore." I do delight in upper space. Where I can turn to heaven my face,

The sky, the wide horizon see, A sight that sets my spirit free. Yet skies recede, some time afar, Cold and unfriendly gleams a star. Some day on soaring wings I'll fly, To learn the mysteries of the sky. Here this weak body loves to cling To some kind friendly, earthly thing.

Trees, and my body come from dust And it stay a while they must; So I will lean close to a tree And feel it is akin to me.

Listen folks! Why not an after election conference, a sort of "Who did you vote for, and why?" Closing with sincere pledges of cooperation in all that promotes the welfare of our community, our state, and our Nation. The greatest good to the greatest number resolves itself into the greatest good for all.

Here we are Saturday morning, Nov. 5, bright and beautiful. Last night through the community patriots, a bicentennial celebration took place; of that more anon. When asked to write a poem near the beginning of the year, a poem covering the why of "First in War, First in Peace and First in the Hearts of His Countrymen," I all in too much haste wrote the following:

In it tried to cover the three "Whys" also to add the historical part Washington had in selecting our flag which is not often alluded to. As he sat in the council chamber at Philadelphia he saw through a stained glass window in the arch above him reflected the sky, the stars, and the red glow of departing sunset. In these he saw a vision of our country's flag.

He came first as a noble youth Clad in the white armour of truth; Eager life's great adventures for Soon he became our first in war.

In struggles for our liberty, A valiant champion was he; When the fierce war at length did cease, He won for us victorious peace.

A grateful people, bowing down, Offered brave Washington a crown; His first refusal makes him rest, First always in each patriot's breast.

When our young Nation's council met, Washington was their leader yet; Silent, a vision met his eyes, A stained glass window where the skies.

Gave clear reflected through its bars, A vision of our stripes and stars; Flag of our country, joined as one, We honor our Great Washington.

Confusion reigns. Each political party tells us all the nice little stories fixed up for his opponent. Think it was the Forum had an article, We need a Demagogue or do we need such an "animal?" forget which. Alas! Alas! We need a calm reasoning mind, each one of us; a mind that will enable us to remember "God reigns" and "He cauteh the wrath of man to praise Him."

The November Atlantic Monthly celebrating its 75th anniversary gives articles published years ago. Among these an article by the man who at indescribable troubles, life risking ventures finally found and delivered to the great scientist Agassiz, turtle eggs, he required to complete a chapter in his Great Natural History. We all know Agassiz, but yet who ever heard of the man who risked life and peace to find the turtle eggs?

The "big idea" is this: In all your orating, spilling ink over the names the ships." So there are other lit-friends, making enemies, counts

Melody Makers Have Good Time at Harvard

The Hawaiian Melody Makers returned from their trip to Harvard for a joint rehearsal with the Harvard Guitars club last Thursday night, tired, but with the memory of an enjoyable evening. The majority of the members were able to go. Everyone met at the Pfundstein Barber Shop in the Vail-Davis building at 6:30 p. m., making the 45 mile trip by auto. The evening was opened with a short concert by the combined organizations. Six numbers were played by the group, after which Harvard played a special selection for the Melody Makers and the Melody Makers did likewise.

A surprise element in the program was the performance of a new trio, consisting of three girls from Des Plaines, who also belong to the Melody Makers.

Following this program everyone was given a chance to get acquainted while the Hawaiian Trio, composed of Anto Pfundstein, Jr., Mike Kozak, and Elmer Herick, the director, played a group of eight selections.

The balance of the evening was spent in several amusing and exciting games in which every one took part. The meeting broke up about eleven o'clock and the Melody Makers started for home, determined to show Harvard as good a time when they come to Arlington Heights again.

Plans for their reception are already being made. The meeting will be held in a local hall and the general public will be invited with free admission. A musical concert will be presented, which will be the high light in the program. There will also be dancing, games, and plenty of amusement for everyone attending.

Anyone who plays the guitar, Hawaiian or Spanish styles, is eligible to join. Simply get in touch with Anton Pfundstein, Jr., and he will supply all information.

The Hawaiian Trio are making their first public appearance in Arlington Heights this week. Last night, Wednesday, they gave their initial performance playing between acts for the Senior Walther League play at the Lutheran school. The play, "The Path Across the Hill" will be presented Friday and Saturday nights also, and the Trio will perform. If you have never heard them, don't miss this treat.

More information concerning the fine concert and future bookings for the Melody Makers will appear shortly. Watch for them.

you for nothing worth while, Agassiz' name goes ringing down the ages; the man who helped him to fame is lost in oblivion. The only thing worth while is to trust in God and as Napoleon said, or was it Wellington? "Keep your powder dry." If I am elected I'll be sure to remember you, and here is my best wishes—Au revoir.

You may boast of all the knowledge you acquired in school or college; Very sure the key to learning Reposes in your hand; But from school you are returning Ignorant, unless discerning That the only gain by knowledge Who will rightly understand.

You vaunt your high position, And your charitable mission; Boast how your heart is aching To assist your brother man, You best prove this good intention When emitting public mention Everywhere you're undertaking Just to do the best you can.

You may spend yourself in preaching, Or in studiously teaching; Or in spreading over paper, A million tons of ink. Yet the one to lift the people Far above the schools or steeple, Is that one who lights a taper That will make the masses think. Elinore Crisler Haynes.
